

Apple Mobile Email Setup

1. Tap Settings > Mail > Accounts > Add Account
2. Tap Microsoft Exchange.
3. Type your full salud email address in the Email field, for example username@salud.unm.edu. In the Description field, type Salud.
4. Tap Next on the upper-right corner of the screen.
5. Tap Sign In.
6. In the Server box, enter the server name, hsclink.health.unm.edu
7. From the Health Sciences login window, enter your HSC Net ID password and tap Sign in.
8. You will be prompted to authenticate your account through Multifactor Authentication (MFA). For more information, follow this link: <https://hsc.unm.edu/about/cio/technology-support/mfa.html>
